HAVE FUN WITH YOUR BEST MATE

## AUSTRALIAN EAST COAST DOG WORKSHOP TOUR 2017 – with Chris de Aboitiz

Chris de Aboitiz, the pioneer who brought SUP to Australia, a former world champion tandem surfer and renowned dog whisperer is currently on tour!

In his workshops, Chris will teach you:

- \* How to understand your dog's body language
- \* How to understand your own body language
- \* How to give your dog leadership and exercise
- \* Know when and how to reward and correct your dog's behaviour

Chris specialises in working with dogs and training people to help turn your canine into a well behaved companion. Chris's workshop will equip you with the tools on how to bring structure into your dog's life.

Chris de Aboitiz founded SupDogOz, the go-to destination for dog entertainment and information. SupDogOz is a holistic lifestyle, leisure brand, combining Chris's passions for health, travel, the ocean, dogs and teaching.

Chris says "for more than 15 years, my dogs have been my teachers. The cool thing is we don't teach dogs, we teach humans"

Chris enjoys sharing his knowledge on how to have a balanced dog relationship. In 2017 his sights are set on TV and radio programs to spread the message of dog adoption for companionship and giving the tools to unlock how to have a healthy and happy dog bond with your best mate for your own travel adventures.
